### Museum Exhibits:

#### Part 1: Inspiration

- Introduction to the Bible - guest will be introduced to what the Bible is, the Word of God.
- Old & New Testament Survey – guest will walk through the timeline of the Bible highlighting major events and characters.
- Revelation Cyclorama – guest will experience the book of Revelation with a perspective of earth below and heaven above.

#### Part 2: Preservation

- Influences – guest will learn how the Bible has shaped the world they live in.
- Bible Media – guest will learn about the different media that has been used to communicate and preserve the Bible, from stone tablets to the electronic age.
- Printing & Distribution – guest will appreciate the great efforts undertaken by many to spread the Bible around the globe.
- Scriptorium – guest will be able to view rare manuscripts and artifacts that echo the story of God's preserved book.

#### Part 3: Shuk & Traveling Exhibits

- Jerusalem Shuk – guest will instantly be transported to the hustle and bustle of the outdoor, open air market shuks found in the old city of Jerusalem. This will provide an opportunity for guest to purchase museum merchandise and eat in the café.
- Traveling Exhibits – guest will have a reason to return often to the museum to view the many traveling exhibits the museum will host.
